

Assignment #3, Module: MA5634

Gustavo Ramirez

January 21, 2017

General explanations to understand the structure and implementations of this solution to the assignment are given here.

1

A specific and somewhat clear explanation of the Metropolis algorithm can be found in the file `./part_a/metropolis_description.pdf`.

An implementation of part a of this assignment, based on the explanation in that pdf file, can be found in the file `./part_a/program.py`.
